RE: Georgia Water and Well Services, Inc.
Petition of the Office of Regulatory Staff for an Order Requiring the Posting
Of an Updated Performance Bond
Docket No. 2021-59-W

Dear Ms. Boyd:

The enclosed performance bond documents were received by the Office of Regulatory Staff ("ORS") on March 9, 2021 from Georgia Water & Well, apparently in response to the above referenced Petition filed by this office with the Public Service Commission of South Carolina ("Commission") on February 18, 2021.

The bond is in the amount of \$215,000, which ORS deems to be sufficient and provided that the Commission approves this new bond amount, ORS asks that the Commission consider the Petition in this matter to be withdrawn.

Please contact myself or the utility should you have any questions regarding this matter.

Sincerely,

s/ Jeffrey M. Nelson
